

Travellers Aid Society Annual Bingo!

It's that time of year again...how many of the interesting features of the Spinward Marches can our members visit in as short a time as possible. Remember:

- 1) You need to **visit** a world to make it count - just passing by in a spaceship doesn't cut it;
- 2) One visit can tick off multiple boxes!
- 3) Prizes for the first traveller to complete each row and column - and a special prize for anyone who can complete the whole grid!
- 4) Fill in the grid on the other side to record when you travelled, who with, and where to.
(Required by our audit department)
